Area Veterans encouraged to attend

For Immediate Release – March 22, 2017

LEBANON, Pa. – Officials at Lebanon VA Medical Center (Lebanon VAMC), which oversees the Berks County Community Clinic located in Wyomissing, invite area Veterans to attend a town hall meeting being held April 4 at 3 p.m. at the Berks County Ag Center, 1238 County Welfare Rd., Leesport.

The town hall event provides Veterans with an opportunity to be briefed on the latest developments at VA, provide feedback and ask questions to Lebanon VAMC senior leadership.

"Providing the highest quality care to our Veterans is our top priority at Lebanon VAMC," said acting medical center director Margaret G. Wilson. "These town hall events provide an effective means of us relaying updates to the Veterans we serve while getting worthwhile feedback from them."

Veterans are encouraged to RSVP attendance to VHALEBEventRSVP@va.gov.

Representatives from the Berks County Department of Veterans Affairs and Lebanon VAMC Outreach Team will also be setup at the entrance of the event to provide informational resources to Veterans.
